

Participant Worksheet

Your Strategic Focus Area

Choose one of the identified Strategic Focus Areas: instructional delivery; feedback; learning outcomes; support & removing barriers; student belonging; relevance & value; or mental health.

Readings Notes

As you review the reading(s) related to your chosen focus area, make note of any particularly interesting takeaways, ideas, or insights.

Possible Pedagogical Shifts

*Based on what you've read and learned as well as your own experiences, brainstorm a list of **at least five** pedagogical practices or transformations you could try that would help you address your chosen focus area. Try to aim for SPECIFIC and DOABLE rather than broad or large-scale.*
