

Team Contract

As a team, identify your chosen strategic focus areas and the specific interventions you will make to address those focus areas.

Your Strategic Focus Areas

Choose **between one and five** of the identified Strategic Focus Areas that your team will focus their retention and persistence efforts on: instructional delivery; feedback; learning outcomes; support & removing barriers; student belonging; relevance & value; or mental health.

- 1.
- 2.
- 3.
- 4.
- 5.

Focus Area One: _____

List the specific pedagogical interventions your team will undertake to address this focus area. Be as specific as possible describing what you will do, when you will do it, and who will be doing it.

Focus Area Two: _____

List the specific pedagogical interventions your team will undertake. Be as specific as possible describing what you will do, when you will do it, and who will be doing it.
