

CURATING YOUR TECH TOOLBOX

With an eye toward some of the values, mindsets, drawbacks, and affordances discussed in the module, reflect on 3-5 technology tools to put in your toolbox to use in the classroom.

Go to bit.ly/df-tech-tools for inspiration, or to find new tools you've never used. Fill your toolbox with those that you'd like to use or further explore. Make a note for each one about what value or approach to your teaching the tool supports?
