

2020 Advising Resources for New Faculty

General

[Center for Student Success's Advising Resource Landing Page](#) The CSS frequently curates and updates their SharePoint site with resources for advisors. Their resources page includes commonly used forms, information about student support services, major, minor, and certificate resources, and much more. Bookmark and use their site as your hub for all things advising!

[Office of the Registrar's Landing Page](#) The Registrar's Office encourages advisors to make use of their site before sending inquiries their way. Includes academic forms, policies, calendar, official catalog, information about graduation, etc.

Registration

[Course Registration Instructions: Handout](#) | [Course Registration Instructions: Video](#) Although made for students, these two resources provide a friendly, simple overview for DegreeWorks and PSU's online registration system.

[Course Search Webapp](#) Since faculty don't have access to the online registration system, this webapp is a handy tool for faculty to use if their advisee needs help finding courses. Use "Advanced Options" and scroll to "Course Attribute" to find courses that fulfil specific Gen Ed requirements.
