

Make Your Home on the Web

WHY...would you get on Plymouth Create?

- build out a digital space of your own
- learn more about how digital identity is formed
- explore disciplinary connections to the Web
- understand more about the Web works, and how that impacts our lives

WHAT...can you make on Plymouth Create?

a personal site

a course site

a project site

- create a landing page
- share links, CV, etc.
- blog, write, post
- become more comfortable/fluent

- digitize resources
- think about organization & structure
- plan/build but leave space for emergence

- find collaborators (students)
- divvy up roles
- create guidelines
- plan and schedule the work

WHAT...do you get?

- a URL: **something.plymouthcreate.net**
- easily installed open-source web tools
- PSU sponsored hosting & support
- lots of control...and responsibility!
- portability

3 STEPS...to get started

1. Sign up at plymouthcreate.net
2. Explore and learn your way around. Get help, if you need it!
3. Install an application and build something.

Make an appointment with Martha to talk about all the options and make a plan!

Contact ET&S by emailing helpdesk@plymouth.edu for technical support!
